Dear Professor Davis:

The Landscape Architectural Accreditation Board (LAAB) at its February 16-17, 2018 meeting granted accreditation for a period of six (6) years to the course of study leading to the first professional BLA degree at University of Georgia. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends December 31, 2023. Accordingly, the BLA program is next scheduled for a review during the fall of 2023.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team report, the institution's response to the team report, and discussions with team members and program faculty.

Enclosed is a list of recommendations affecting accreditation (to be responded to in annual reports). This list was developed by LAAB from the materials reviewed during the meeting.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

A handwritten signature in blue ink that reads "Kenneth R. Brooks".

**SUMMARY OF RECOMMENDATIONS**

**Recommendations Affecting Accreditation**

1. The program needs to develop a program-specific long-range plan that provides educational goals and objectives that are actionable and support the program's mission (Standard 1).
